

URGENT NOTICE FOR EXTENSION OF THE ANNOUNCEMENT OF THE 2020/21 ANNUAL PROJECT FUNDING OUTCOMES

The Eastern Cape Provincial Arts and Culture Council (ECPACC) had issued an invitation for the submission of funding applications from individuals and organisations for arts, culture and heritage projects in the following artforms: craft, fashion and visual arts, film, language & literature, culture & heritage and performing arts (dance, drama-theatre and music).

Due to unprecedented circumstances, ECPACC wishes to extend the announcement of the 2020/21 Annual Project Funding Outcomes from the revised date of 25 September 2020 to the 9th of October 2020.

The Adjudication process has been completed and contracting has commenced. The delays to the announcement are attributed to the need to synchronise our list of approved applicants, with that of DSRAC Arts Relief Fund in order to avoid duplications. Once that process is completed, an official declaration of results will be made public.
