

NOTICE TO THE EC CREATIVE INDUSTRY PRACTITIONERS: ANNUAL FUNDING UPDATE

Warm greetings to the Sector

ECPACC would like to thank all the applicants who had submitted funding applications for the 2020/21 financial year, for their patience while we were finalizing the Fund Administration processes. It has not been an easy task to accomplish due to the extraordinary pressures of the Covid-19 lockdown, which has revealed much of our ICT weaknesses that we are attending to. This process further required more diligence and fine precision, as we also continue to improve the governance of the Fund.

We are pleased to announce that all submissions have now been fully considered and approved by the council. This concludes our second and final leg of the Funded Projects for the 2020/21 financial year.

ECPACC is now in the process of administering received appeals which will be handled by an independent panel as per ECPACC Funding Guidelines and Criteria. Outcomes will be communicated to all appellants before the end of the financial year.

Should there be any applicant that has not received communication from ECPACC to date, who can prove that they have submitted the application forms, they should submit such proof by **Friday, 19 February at 16h00pm, as there will be no more appeals that will be considered beyond this date.**

You will be advised when the next Call of Application will be opened!!

Yours in stimulating the growth of the Cultural and Creative Industry.

Chief Executive Officer
